**Kiwanis Park Boardwalk is now open for use.**

MOUNT VERNON – Mayor Bud Norris and the Mount Vernon Parks and Recreation Department are pleased to announce that the Kiwanis Park Boardwalk is now complete and ready for use. This extensive wetland trail system is part of the second phase of construction at Kiwanis Park. The Boardwalk adds connections to surrounding neighborhoods to create convenient access points to Kiwanis Park. There will also be interpretive signage added along the Boardwalk to provide education about the surrounding wetland area coming up in the near future. There will be a ribbon cutting for the Boardwalk after the first of the year.

Mayor Norris said “I walked the entire Boardwalk this week and I’m very impressed with its layout, construction and the visual beauty it provides within Kiwanis Park. I encourage everyone to come enjoy this wonderful addition to our outstanding Park system”.
